TECH CELEBRATES SIXTIETH YEAR

This year, 1966, holds a very special significance for not only the seniors but for the tradition of Tech itself! We are celebrating our sixtieth year as Technical High School.

In 1898 an experimental Mechanics Art School, located at Winchester Square and headed by Charles Warner, was formed to provide the young people of Springfield with both technical and academic training. In 1906 the school moved to Elliot Street and became Technical High School. When more facilities became necessary in 1924, the Spring Street building was constructed.

After the death of Mr. Warner in 1926, Harold B. Marsh became the principal until 1934. His successor, Major Burton B. Adams, brought about the construction of the additions which included the auditorium, the cafeteria and the connection of the Spring and Elliot Street buildings.

Upon the retirement of Major Adams in 1940, M. Marcus Kiley became the guiding light of Tech until 1949 when he was succeeded by Dr. Leo Gans. In 1953 Mr. Donald Gifford took his place among the competent men who have led the faculty and student body.

Tech has witnessed many changes through the years, but it has always been an extraordinary influence on everyone who comes in contact with it. On such a milestone in Tech's history, it gives the entire student body great pleasure to say, "Happy Birthday Tech"!

Assemblies are a very vital function of our school year. Through these school wide gatherings, Techites have the opportunity to become acquainted with school organizations and activities, to honor fellow classmates for both academic and ath-

letic achievements, to celebrate national or religious holidays, or to have a "fireside" chat with school officials about various subjects. These occasions will hold pleasant memories for us in the years to come.

RALLIES

Tech students displayed their spirit at the rousing Tech-Cathedral rally. As shouts of approval rang throughout the school, the traditional hanging of the Cathedral player took place. The rally, inspired by the playing of the band and yells from the cheerleaders, proved to be one of the most enthusiastic events of the year.

Band flare and crowds cheer as the team enters. Sports at Tech have always aroused great enthusiasm and spirit. Tech-ites are always ready to stand by their team in victory and in occasional defeat.

GAMES

Each year Tech's various musical organizations present two concerts which have earned the reputation of being highlights of the school year. The band, under the direction of Mr. Meyers, and the Concert Choir, Chorale, and Chorus, under the supervision of Mr. Murphy, present skillful renditions of a great variety of musical compositions.

The Christmas Concert was presented on December 21, 1965. Among the selections played by the band were: Sleigh Ride, White Christmas, March of the Toys, Hark the Herald Angels Sing, and Oh Come All Ye Faithful. The Concert Choir presented the following numbers: Go Where I Send Thee, a famous American spiritual; The Sleigh, a Russian composition; The Babe, a Mexican lullaby; and O Night Serene and Hallowed, a French selection. These offerings gave the audience a taste of music of a universal va-

riety. Among the selections of the combined chorus were: O Come O Come Emmanuel, Alleluia, Silent Night, and Now Christmas Is Come.

The Spring Concert was presented in the early part of the season. The musical groups again presented an extremely interesting program.

RED CROSS

On December 10, 1965 the annual Red Cross coronation dance was held in the gymnasium. Mrs. Dorothea Pryor was in charge of the event. Diane Clark was crowned queen by Paul Peterson, presi

Thank you! And now for my next number.

FAIR

The Science Fair Winners were chosen on Friday evening, March 26, 1965. Awards were presented to the winners by Mr. Snow and Mr. Northrup. For their physics projects, awards were given to Robert Lyon, John Sharrard, and John Holjies. In electronics awards were presented to Steve Reneris and Brian O'Connor. Among the other winners were Robert Knowles, chemistry; Rino Bartolo, mathematics; and George Eliopoulos, life sciences. Two special awards were presented, one to Jack Sonocki for his project, "Measuring the External Forces on a Vibrating Reed," and the other to Arkady Kramar for his project, "External Factors of Photosynthesis."

TECH

Tech Tantrums XXVIII was full of entertainment and enjoyment for all. Swingsters, as usual, did themselves proud under the direction of Mr. Meyers. The first part of the show included everything from the dancing to the talented girls' chorus line to the "talented" (?) boys chorus line, and also a little modern and tap dancing. Singing was also presented in a wide range — from popular to folk. A very amusing magic act rounded off the opening of the variety show.

Mr. Northrup

Mr. Herbert Northrup retired at the end of the 1965-66 school year after forty-one years of teaching, thirty-six of which were spent teaching chemistry at Tech.

Mr. Northrup graduated from the University of South Dakota with a B.A. degree in 1923. For two years he was one of three teachers, each of which taught five different subjects, at Emery High School in South Dakota. For the next three years Mr. Northrup taught general science and chemistry at Balboa High School, Balboa, Panama Canal Zone.

After two years of study at the University of Chicago, he earned a M.S. degree in organic chemistry. Mr. Northrup came to Tech in 1930 and has taught here since. In addition Mr. Northrup was the head of the chemistry department for many years. In 1946 he was a teacher at the Springfield Junior College.

All the lucky students who have had Mr. Northrup understand the great loss his leaving is to Tech. The **Tech Tiger**, on behalf of all past and present Tech students, wishes Mr. Northrup a most happy and eventful future.

After nineteen years of faithful teaching service, Mr. John Robinson retired in June.

Mr. Robinson studied at Springfield College and Gorham College, Gorham, Maine. Before coming to Tech, Mr. Robinson taught in Bellows Falls, Vermont for many years. Since 1947 he has taught machine shop to many Tech graduates.

Mr. Robinson plans to spend his time traveling around the world and doing everything he hasn't had time to do. His immediate plans include trips to Mexico and Alaska.

The great number of students Mr. Robinson has taught are the backbone of many of the machine shops in the Springfield area. We, the people of Tech, would like to salute Mr. Robinson and thank him for many years of devoted service to the school.

Mr. Robinson

IN MEMORIAM

Lee Bennet Revels

The **Tech Tiger**, on behalf of all of Tech, would like to devote this space to a memorial testimony to two of our late teachers: Lee Bennet Revels and Alfred Johnson.

Mr. Revels died on April 8, 1965 at the age of twenty-nine. He had a good relationship with both students and parents. Mr. Lynch can be quoted as saying, "He was a kindly fellow who commanded the respect of everyone he met."

Mr. Revels also showed his concern for students and children outside of school. He was a member of the N.A.A.C.P. and the Special Class Teachers' Association. He was also an organizer of the North End Area Ministry's After-School Reading Program.

The Tech faculty and student body will always hold a fond memory of this courageous and tolerant young man.

Tech lost a great teacher when Mr. Alfred Johnson passed away on May 3, 1965.

Mr. Johnson taught for thirty-four years, twenty-three which were spent at Tech as a history teacher and a golf coach. Mr. Johnson did undergraduate work at Springfield College and graduate work at Columbia University.

Mr. Johnson's greatest contributions were in education and teacher organizations. He was past president of both the Springfield Education Association and the Massachusetts Teacher's Association. He also was state director of the National Education Association.

In memory of Mr. Johnson's sacrifice to his students the Al Johnson Trophy will be given to the most improved golf player at Tech each year.

NEW TEACHERS

FIRST ROW: Mr. Lynch, Miss Dongian, Mr. Shea, Miss Regina, Mr. O'Malley. **SECOND ROW:** Mr. Casanova, Mr. Fiorello, Mr. Dutkiewicz, Mr. Thornton, Mr. White.

Dr. Dickinson, a new addition to the Science department, attended Tufts University and Indiana University.

Miss Donigan attended Boston University and the University of Massachusetts. Before coming to Tech, she was the assistant editor at G. C. Merriam Co.

Mr. Dutkiewicz attended Springfield College and majored in history and social science. He previously taught at Buckingham Junior High.

An addition to our English department is Mr. Lynch. He attended Holy Cross College and the University of Massachusetts. Before coming to Tech, he taught at Indian Orchard Elementary School and Agawam and Chestnut Junior High Schools.

Miss Carol Pratt, a new addition to the girls' physical education department, is a graduate of Russell Sage College. This is her first year of teaching.

Miss Regina is a new member of the English department's teaching force. She is a graduate of Springfield College and Mount Holyoke College.

A new addition to the physical education staff is Miss Schultz. She is a graduate of Ursinus College and formerly taught in Venezuela.

Mr. Thornton is a new member of the English teaching staff. He is a graduate of Antioch College and Westfield State College. He previously taught on the elementary and junior high levels in the Springfield School System.

Mr. White is a new guidance counselor. He is a graduate of the University of Maine, Westfield State College, and Columbia University.

Stephen Cote

Each year two outstanding seniors are selected by the Technical Alumni Association to receive the Charles F. Warner Achievement Medal presented in honor of our first principal, Charles F. Warner. The recipients are chosen by thirty-five members of the faculty and student body on four qualities: scholarship, citizenship, leadership, and personality.

Stephen Cote, son of Mr. and Mrs. George A. Cote of 13 Putnam Circle, has been chosen to be one of the two recipients of the Charles F. War-

ner Achievement Medal by the Selection committee. Steve's class rating is thirty-nine. He is president of the Student Council and chief of the Student Patrol. He was the vice-president of our class freshman year. He is a member of the National Honor Society; Will, Ballot, Prophecy Committee; Class Council; Corridor and Lunchroom Patrols; and S. A. Board. He also participated in the Student Government Day and the Inter-High Youth Council. Congratulations Steve!

Kathleen Gatti

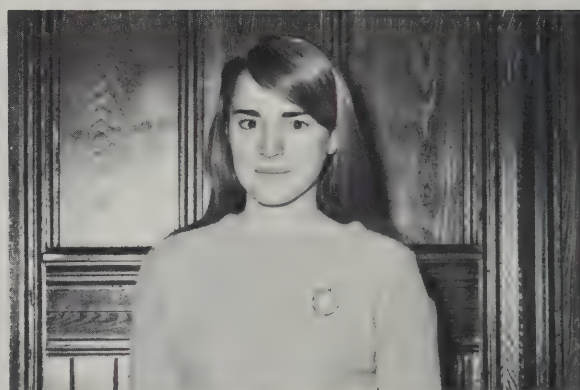

Kathleen Gatti, daughter of Mr. and Mrs. James J. Gatti of 211 Nottingham Street, is the other recipient of the award. Kathy ranks thirteenth in a class of six hundred. She is vice-president of the Student Council and layout editor of the **Tech Tiger**. She is a member of the National Honor So-

ciety; Class Council; Senior Hat Committee; Future Nurse's Club; Banner Committee; Will, Ballot, Prophecy Committee; and Office Aides. She also participated in Tech Tantrums and the Inter-High Youth Council. Congratualtions Kathy!

A TIGER

Of the opening day few remember anything specific, yet all recall some vague impressions of that day of days. There was that first mass march through forbidding halls to a room that would be known as home for the next three years. There was the sinking feeling that came when you realized that not only the senior class but also your own group was full of strangers. There was that small useless map on page twelve of the obsolete handbook. And, of course, there was the endless filling out of those cards that you had the strangest compulsion to tear, fold, mutilate, and staple.

Having survived the sudden onslaught of new teachers, regulations, and upperclassmen, the Class of '66 was well on its way — somewhere. Next came the freshmen elections when most people voted, many for unknown candidates. We also ratified a constitution, the function of which few understood. But democracy has always managed to survive such shortcomings, and thus our class was officially launched.

Many of us bought something known as SA without knowing exactly what it was, but it was through membership in that organization that we were introduced to school functions. We had a great football squad that year and lost only one game. The newspapers that we received with SA were found to be excellent book covers. And then came the crowning touch of every Tech year — Tech Tantrums. This wild conglomeration of talent was the one success we

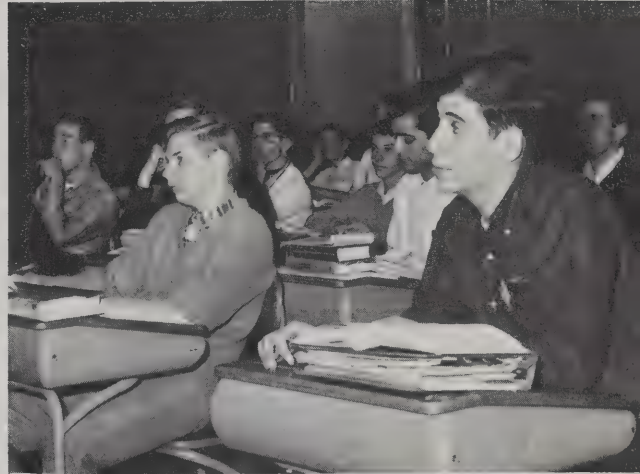

REFLECTS

could always count on. Though few of us had much to do with that first show, the confusion managed to effect us all in some way. Our one activity came in April, when we made the first attempt at holding a class dance. Again confusion reigned; however, we somehow got it off the ground, and there was some rumor to the effect that it actually was a success.

In the outside world things were happening that affected us in different ways. A President was assassinated one afternoon in November, Civil Rights had become the issue of the day, and there was a small war somewhere in Asia that occasionally received notice on the front page. On the less serious side of matters, we lived through a full-scale invasion of Englishmen who were described by Caesar in Book IV of his commentaries.

As the end of our first year approached, we again set ourselves to that business of politics and elected new leaders. Finals came a short while later, and then the Class of '64 graduated. It would only be a short time before we again undertook our scholastic burdens.

The beginning of our junior year was comparatively quiet. Although there was some confusion here and there, for the most part the Class of '66 was off to a smooth start. The mundane task of gaining an education went along fairly uninterrupted until mid-year.

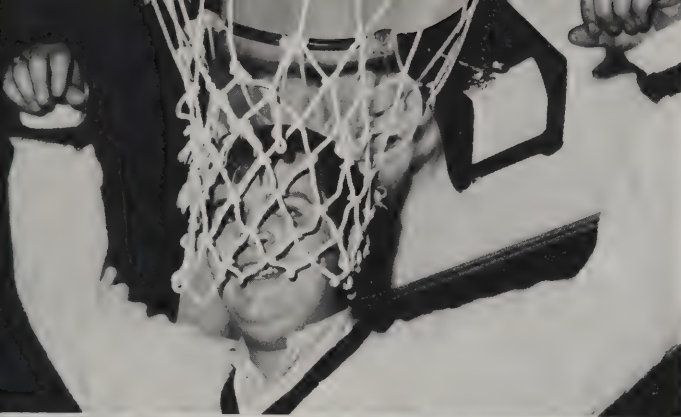

The football team turned in a respectable record and beat Cathedral for the second season.

Mid-years were no longer a novelty, but it was at about that time that things began happening. Tech was becoming a victim of creeping apathy, and the results were the cancellation of our class dance and the formation of an all-school affair. For a school wide event, the dance didn't draw many more students than would a class function. Nevertheless, we optimistically chalked that one up as a success. It was at about this time that we received our class rings-expensive little ornaments that we spent the rest of the year watching disintegrate. Undaunted by all other things, we turned to television and watched our basketball team lose a championship.

But spring came along and brought some relief to our disheartening misadventures. We again set out to create a dance that might draw more than curiosity seekers. This would go down in history as the Junior Prom of the Class '66. With the usual amount of trouble the dance was finally completed, and to everyone's surprise, a goodly number attended. Not long after this we were faced with that terror of terrors — college boards. For one terrible Saturday in May Tech was full of miserable souls, who suffered for periods ranging from two to six hours. But again we survived.

The outside world had changed only slightly in a year. A new President had been elected, Civil Rights was still a big issue and was moving closer to us, and that small war was big enough for headlines. On the lighter side, Dick Tracy had conquered the moon, and those English groups seemed to be well entrenched in spite of the opposition shown by a few rebellious souls.

Elections came again. We set about the task with not much more order than we had two years before, and we chose not only officers, but also class colors and a banner. With that we bade a fond good riddance to the Class of '65.

Of the senior year there is not much to be said. At the time of this writing we were suspended in the midst of all of our final activities. Members of the class had received senior hats and made a final push for SA. Yearbook pictures, that lack of which has resulted in this post mortem, had been taken; and the yearbook staff was in its frantic last minute push to meet a deadline. College boards had once again shaken our sense of security and college applications had brought us back to reality. A number of subversive organizations such as the IRA and the Hairston Society popped up. We had even found time to get in one senior dance and were presently working on the second. We looked forward to Tantrums, the Senior Prom and Banquet, and finally graduation. All details will have to be supplied by you.

CLASS BALLOT

CLASS WILL

We, the class of 1966, in order to form a more perfect school, leave . . . this, our last will and testament.

1. The class of 1966 leaves the city's finest faculty to all the undergraduates.
2. Wayne (Thor) Scott leaves Mt. Olympus and his ulcer to the next Editor-in-Chief of Tech News.
3. Tech Tiger staff leaves a pair of white boots, a Hurst floor shift, and the big "L" to Sharon Carlson.
4. Steve Cote leaves the Student Council, "Lock, Stock, and Mr. Karavetsos — oops! we mean Barrel."
5. All of Mr. Hopkins' senior physics classes leave him one Italian, and a free gift certificate to Macy's toy department.
6. Darlene Daley and Sandra Dakers leave all their clothes to the Bobbsey Twins.
7. The crew team leaves their bus trips, when the moon always shines, to Mr. Vatousiou.
8. Toni DeSellier leaves Mr. Myers a 20-inch mailbox surrounded by a concrete fence.
9. Steve Remillard leaves Miss Bogacz a box of Tech candy from the P.T.A. sale.
10. Greg Romboletti leaves his first prize trophy in the Bill Dolan Look Alike Contest to any other wrestler who gets short haircuts.
11. We leave Miss A. Shea "What?"
12. The baseball team leaves Mr. Burns a crying towel for the Spring Sports Awards Assembly.
13. The Student Council leaves Mr. Karavetsos one empty ad book.
14. The Ski Club leaves Snow (?) to next year's members.
15. Paul Gagliarducci leaves a tattered and tear-stained copy of "How to Succeed in Love and Romance" or "Grin and Bear It" to Ron Prior, Rich Neal, and Rich Galavin.
16. The girls of the class of '66 leave all their crushes on young, handsome practice teachers to the girls of '67.
17. The cheerleaders leave Mr. Mason's office peaceful at last.
18. Because Stephen Donnelly has equalled Walter Wolnick's rank, the boys of '66 leave their best wishes to any junior boy who can even come close.
19. Amadeo Giordana leaves his grape-stomping machine to Mr. Burns and Mr. Foley so they can make their own wine next year.
20. Diane Yvon leaves her jump to anyone who can mess up "Give me a 'T'".
21. Jerry Tabb and Bob Dzuiban leave a pair of shoulder pads, an unpolished apple and Frank Disco to next year's team.
22. Roger Bryant and Tom Ryan leave their P.H.D. helmets to any junior who has as much desire as they did.
23. The basketball team leaves Mr. Foley free ice cream bars and a North Carolina transfer student.
24. Mr. Hewitt's 5th period Trig class leaves him a few "Silly Boys", a couple of "Pals", a few crumbs from John Boduck's lunch, and the Cosine of Theta.
25. To Mr. Hannigan we leave a Senior Hat, the middle of the road and a George Shea.
26. All the seniors who brought their cars to school leave their thanks to INA for not putting up chains on their old parking lot.
27. John Denis leaves his haircut, his sense of humor, and his white sweater with the IRA button to any deserving Irish junior.
28. The Hairston Society leave Happy to the Cincinnati Royals.
29. The boys in 213 leave a waste paper basket full of crumpled paper to any freshmen who enter that room next year and feel like playing basketball.
30. Tony Trovato and Joe Bartolo leave Tech for the rich, green lands of old Italy.
31. A certain prominent senior leaves Mr. McGrath one Rock 'n Roll dance.
32. The D-C 7 leave their shirts to anyone who can fit the description.
33. To Mr. Peabody we leave a book entitled, "How to Sell Tickets" and the deed to the Louisiana Purchase.
34. Ray Carando leaves Tech forever (we hope)!
35. Kathy Gatti leaves politics to anyone who can be more successful.
36. Phil Rurach, Jack Marchetti and Tom Lambert leave Mr. Hopkins a bag of phenomenons!
37. The Class of 1966 leaves its heartfelt thanks to all of our advisors whose help had made our years at Tech great.

JUNIOR

SNOOPY

Whether it be at football games, assemblies, or just everyday schoolwork, one can be certain that the class of 1967 will exhibit its school spirit. No longer strangers to **Tech**, our juniors ably find their places among the leaders of the school.

"It's every man for himself!"

"Leaders of tomorrow?"

"Soup's on!"

"This job really takes a lot out of a guy!"

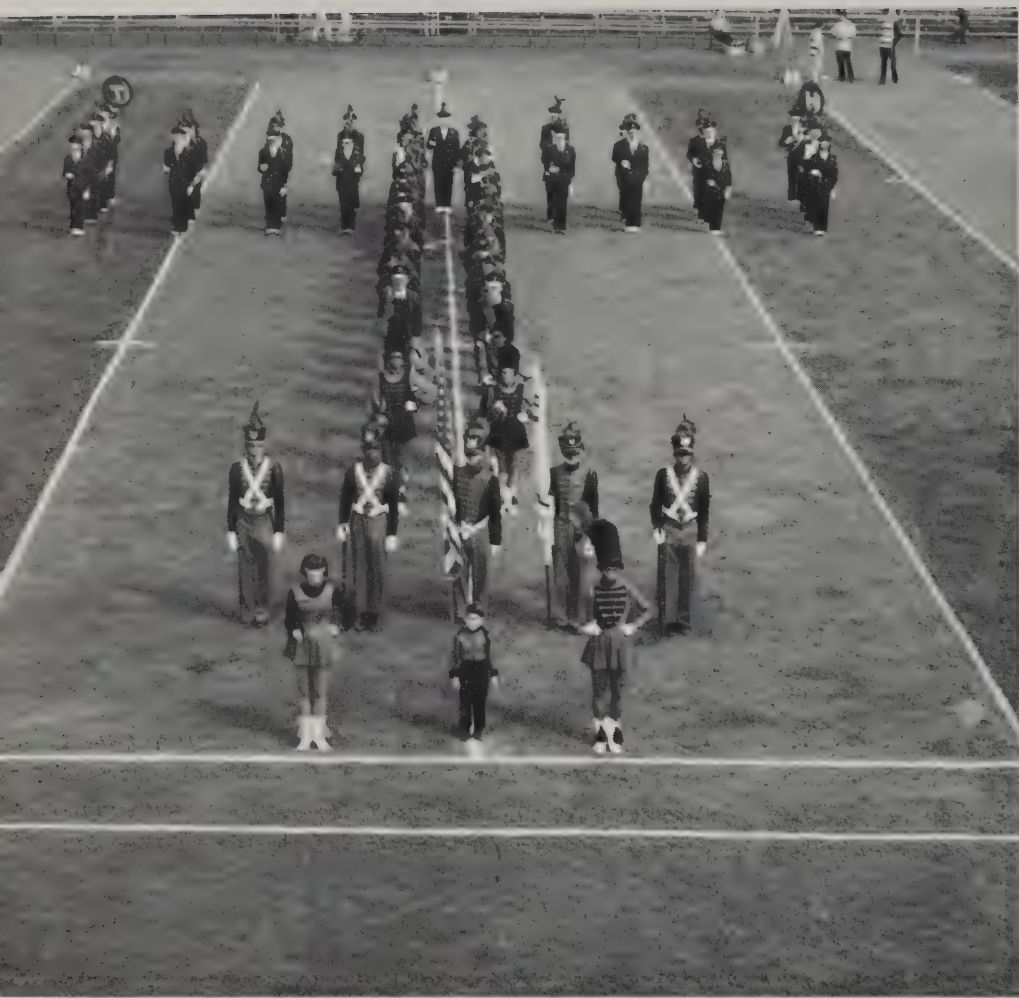

"Happiness is being able to put your feet up!"

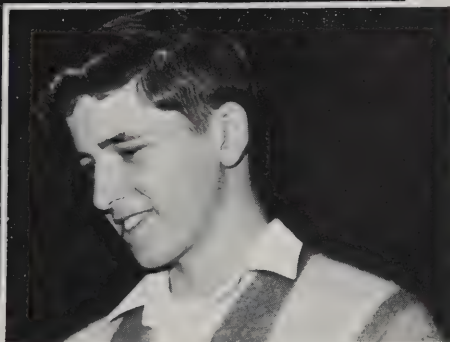

"We've already had this stuff twice this week!"

ACTIVITIES

Drama rehearses its first production, "The Mouse That Roared."

"I'm okay; it's the world that's wrong!"

"Sing along with Phil!"

Tech offers a variety of Extracurricular activities to its students. These activities are not only rewarding but also very enjoyable. One has the opportunity to make new friends and to really get into the swing of school life!

QUIZ TEAM

This group of Techites represented our school for the first time on WWLP's "As Schools Match Wits" program. This program is geared to stimulate scholastic competition among high schools in the area. Our team made four appearances, winning the first three over Chicopee Comprehensive, Palmer and Chicopee High and losing the fourth to Ware High. Captain John Denis and his teammates are looking forward to second round competition.

Insuring Peace of Mind

Many thoughtful persons make their wills, arrange pensions, annuities, and set up insurance programs in advance of need.

May we suggest it is also wise to prearrange funeral services.

A personal call at the Dickinson-Streeter office is treated in strictest confidence.

All questions about funeral requirements are answered; and, if advisable, complete arrangements can be made before the need arises.

**Before you accept
that first job . . .**

**Look over
your
employer
as carefully
as he does
you**

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone Company . . . New England's largest employer.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
